Leader God has created every living creature and delights in each and every one.

All **We praise you and thank you, dear God!**

Leader Let us pray:
O God, you have made us and these pets and all living things. You are even more wonderful than the things you have made. We thank you for giving us these pets who give us joy. As you take care of us, so also we ask that we might take care of our pets who trust us to take care of them. By doing this, we share in your own love for all creation. We ask this in Jesus' name.

All **Amen.**
