#Community Helping Community

A COMMUNITY FOOD PANTRY SERVING LOCAL FAMILIES IN NEED

APRIL IS NATIONAL VOLUNTEER MONTH!

*Volunteers allow Outreach House to operate without staffing overhead.
Every hour of time and dollar donated goes directly to support Outreach House clients.*

A bit of history:

Celebrating the impact of volunteers started in Canada in 1943 as National Volunteer Week.

A similar celebration begun in the U.S. in 1974 was expanded to National Volunteer Month in 1991.

What do volunteers do? Volunteers give back a part of themselves. Giving back means using their time, skills, or resources for the benefit of others. At Outreach House our volunteers give back all year long. Volunteer donations of time, money, and energy enable Outreach House to assist those in our local community who need a helping hand.

In this first quarter of 2025 Outreach House volunteers have donated nearly 500 hours of time to purchase food for our grocery shelves, process in-kind donations and directly assist clients. Volunteers who give of their resources make possible the purchase of food to supplement in-kind donations.

*Can't Volunteer?
Donate instead!*
